

# Ifo World Economic Survey

- is one of the leading economic research institutes in Germany and the one most often quoted in the media
- is an independent and competent producer of data and information on the national and international economic situation
- is an internationally oriented centre of empirical economic research
- promotes the exchange of ideas with institutions, universities and researchers throughout the world
- is known for the Ifo Business Climate, an internationally established leading indicator that receives media focus every month
- publishes the quarterly Ifo World Economic Climate index for 100 countries derived from the Ifo World Economic Survey (WES)

## Ifo World Economic Survey (WES)

- conducted for more than 30 years among more than 1,000 economic experts of national and transnational organisations in over 100 countries
- assesses worldwide economic trends and has proved to be a useful tool, since it reveals economic changes earlier than with traditional business statistics
- global players like Volkswagen, Siemens and many others closely co-operate in WES and use the results for their forecasting
- WES results appear quarterly in the international press

**Become a member of the WES Expert Group, utilise the timely and exclusive information on current economic developments in about 100 countries and help to shape the future of this unique project**
