

The Faculty of Economics and Management of the Free University of Bozen-Bolzano is seeking excellent candidates to fill the following academic position

## Full or Associate Professor in Economics (13/A1 - SECS-P/01) Bolzano Campus

### Profile

The candidate should have a PhD in Economics or equivalent and an excellent record of international scientific publications. All fields of Economics will be considered.

### Position

The position offered is at the Full or Associate Professor Level in Economics (Professore Ordinario o Associato SECS-P/01 in the Italian system). This is a tenured full-time position with a teaching load of 120 hours/year.

The salary is competitive with that of top European universities and, depending on individual circumstances, may enjoy fiscal advantages.

Approximate starting date: March 2017

For further information, please contact Prof. Mirco Tonin [mirco.tonin@unibz.it](mailto:mirco.tonin@unibz.it) or Prof. Steven Stillman [Steven.Stillman@unibz.it](mailto:Steven.Stillman@unibz.it)

### Requirements

According to Italian legislation, only candidates already **holding an equivalent academic position (Full or Associate Professor) at their current foreign university are qualifying for a "direct call"**. The Faculty is particularly interested in applicants who will substantially contribute to its strong cross-disciplinary international research, as well as to its multilingual teaching culture. Furthermore, applicants need to meet the following conditions:

- record of excellence in scholarship at the international level, demonstrated by an appropriate publication record in leading international journals;
- evidence of high-quality teaching and mentoring;
- significant level of service to the department, the university and the profession;
- knowledge of at least two of the three official teaching languages at the Faculty of Economics and Management (German, Italian, English) is required.

The Free University of Bozen-Bolzano aims at increasing the proportion of women in research and teaching and therefore specifically encourages female scientists to submit their expression of interest.

### About the Faculty

The Faculty of Economics and Management was founded in 1998 and counts at present over 1000 students and 49 faculty members who study and work in three languages: German, Italian and English. Through academic excellence in research and teaching the Faculty contributes to the development of the South-Tyrolean economy while being solidly connected to international scientific networks. The quality of its multidisciplinary and multilingual study programs are recognized both in Italy (3rd in the 2013 ranking of [La Repubblica](#)) and in Germany (top mark in the [CHE Die Zeit](#) rating for internationalization and international publications). The Faculty has also been recognized as one of the best in Italy for its research (5th in Economics, 2nd in Law and in Political Science according to [ANVUR](#)). The working language of the Faculty of Economics and Management is English.
