Contact

For submissions, please visit www.cesifo.org.

Go to the "Conferences and Events" page, click on the conference name and then on the "Submit Paper" link associated to the workshop in question. Only online sub-missions will be accepted. Should you have any (technical) difficulties with the online submission procedure, please contact saavedra@cesifo.de for assistance.

Theoretical, empirical and experimental works are welcome. The deadline for submissions is **March 30, 2010**. Authors of papers that are accepted for presentation at the workshop will be notified by the end of April.

A selection of the technical papers will be considered by the organisers, subject to a refereeing process, for a special issue in the *Journal of Economic Behavior & Organization*. A selection of the less technical papers will be considered by the organisers, subject to a refereeing process, for a special issue in the *CESifo Economic Studies* (see below for more information about the journal). All papers presented are eligible for submission to the *CESifo Working Paper Series*.

Information about the journal *CESifo Economic Studies*: With the increasing specialisation in the profession, there is an urgent need for building bridges between the different areas in economics. The economic research papers published in academic journals are becoming increasingly less accessible to those not working in the same field. *CESifo Economic Studies*, published by Oxford University Press on behalf of CESifo, aims to bridge the gap between specialised research in economics and the interest of non-specialists. The journal combines theory and empirical research with a strong emphasis on policy issues. *CESifo Economic Studies* publishes contributed papers by top level academic economists which are written in a style accessible to all economists regardless of their specialization. The primary focus of the journal is on policy problems, but it also publishes high quality, non-technical articles which are of general interest to economists.

The journal is circulated among a wide audience including government, business, and policy-makers as well as academics and students. All articles appearing in the journal are thoroughly refereed.

For more information see: <http://cesifo.oxfordjournals.org/>

CESifo will provide accommodation, and will reimburse economy travel costs, for all participants with accepted papers. Other CESifo Research Network members are invited to participate, but are expected to provide their own funding for travel and accommodation.
