**Call for Papers**

CESifo, the Center of Public Economics at TU Dresden and the Ifo Institute for Economic Research Dresden will jointly organize a workshop on Political Economy. Unlike most other CESifo conferences, this workshop will not take place in Munich but rather in Saxony's capital Dresden. The two-day workshop will serve as a forum to present current research results in political economy and will give researchers the opportunity to network.

The keynote speakers will be:

DENNIS C. MUELLER (University of Vienna)

JAKOB DE HAAN (University of Groningen)

CESifo will sponsor a conference dinner on Friday evening. Selected papers presented at the conference will appear in the CESifo Working Paper Series. As the workshop intends to build a network in this research area, participation is welcome even without paper contributions.

**Submission**

Both theoretical and empirical studies are welcome. Please submit complete papers or extended abstracts as pdf-file together with full contact details by 01/Oct/2008 to:
