Call for Papers

CESifo, the Center of Public Economics at TU Dresden and the Ifo Institute for Economic Research Dresden will jointly organize a workshop on Political Economy. Unlike most other CESifo conferences, this workshop will not take place in Munich but rather in Saxony's capital Dresden. The two-day workshop will serve as a forum to present current research results in political economy and will give researchers the opportunity to network.

The keynote speakers will be:

BENJAMIN LOCKWOOD (University of Warwick)

FRIEDRICH SCHNEIDER (Johannes Kepler University Linz)

CESifo will sponsor a conference dinner on Friday evening. Papers presented at the conference will appear in the CESifo Working Paper Series. As the workshop intends to build a network in this research area, participation is welcome even without paper contributions.

Submission

Both theoretical and empirical studies are welcome. Please submit complete papers or extended abstracts as pdf-file together with full contact details by 15/Sept/2010 to:

Political-Economy@ifo.de
