The purpose of this event is to bring together CESifo members who are working in the areas of macroeconomics and money to present and discuss their ongoing research, and to stimulate interaction and co-operation between them. All CESifo research network members are invited to submit their papers, which may deal with any topic in Macro, Money, and International Finance. Approximately 20 papers will be selected.

The deadline for submission of papers is **15 December 2005**. CESifo research network members interested in presenting a paper should send their paper to the conference organiser:

The same paper is only allowed to be submitted to one of the five CESifo area conferences. Papers which are more related to the topic of other area conferences will be re-directed to the respective area coordinator.
