

## 2008 CESifo Area Conference on Applied Microeconomics

### Call for Papers

On March 07-08 2008, CESifo will organise a conference in Munich for all members of the CESifo Research Network with an interest in the area of Applied Microeconomics. The purpose of the conference is to bring together CESifo members to present and discuss their ongoing research, and to stimulate interaction and co-operation between them. All CESifo research network members are invited to submit their papers, which may deal with any topic within the broad domain of Applied Microeconomics (industrial organisation, experimental and behavioural economics, market regulation, banking and finance, auctions)

The keynote speaker will be XAVIER FREIXAS (University Pompeu Fabra, Barcelona). The deadline for submission of papers, or a 2-3 page abstract is **January 10, 2008**.

For submission, please visit [www.cesifo.org](http://www.cesifo.org). Go to the "Conferences and Events"- page, click on the conference name and then on the "Submit Paper"- link below the conference description. Only online submissions are accepted. Should you have any (technical) difficulties with the online submission procedure, please contact [office@cesifo.de](mailto:office@cesifo.de) for assistance.

Authors of submitted papers will be notified no later than 25th January 2008 whether their paper has been accepted for the conference.

CESifo will provide accommodation, and reimburse economy travel costs for CESifo Research Fellows/Affiliates with accepted papers. All papers presented at the conference will appear in the CESifo Working Paper Series. Other network members are invited to participate, but are expected to provide their own funding for travel and accommodation. Further questions regarding the organisation and scientific content of the conference should be addressed to the conference organiser.

The same paper is only allowed to be submitted to one of the five CESifo area conferences. Papers which are more related to the topic of other area conferences will be re-directed to the respective area coordinator.

Further questions regarding the organisation and scientific content of the conference should be addressed to the conference organiser, Christian Gollier, IDEI, University of Toulouse ([gollier@cict.fr](mailto:gollier@cict.fr)).
