

## **CESifo Area Conference on Global Economy**

### **Call for Papers**

On 25-26 January 2008, CESifo will organise its fourth yearly meeting for the Global Economy research area. The conference is intended to allow presentation of current research undertaken by members of the Network's Global Economy area and to stimulate interaction and co-operation between area members.

Papers can be on any topic under the Global Economy rubric, covering trade, international finance, migration, global environmental issues, and others. Papers will be discussed in seminar format. Accepted papers will be published as CESifo working papers after revision. Papers dealing with the global implications of growth in India, China, Russia, and Brazil are especially welcome.

Those CESifo network members with existing working papers focused on the above are invited to submit their papers for presentation. The deadline for submissions is **15 December 2007**. For submission, please visit [www.CESifo.de](http://www.CESifo.de). Go to the Forthcoming Conferences page, click on the conference name and then on the "Submit Paper" link below the conference description. Only online submissions are accepted. Should you have any (technical) difficulties with the online submission procedure, please contact [office@cesifo.de](mailto:office@cesifo.de) for assistance.

Authors of submitted papers will be notified as soon as possible as to whether their paper has been accepted for the conference.

CESifo will provide accommodation and reimburse economy travel costs for CESifo Research Fellows / Affiliates with accepted papers. Other network members are invited to attend, but are expected to provide their own funding for travel and accommodation.

The same paper is only allowed to be submitted to one of the five CESifo area conferences. Papers which are more related to the topic of other area conferences will be re-directed to the respective area coordinator.

Further questions regarding the organisation and scientific content of the workshops should be addressed to the conference organiser. For more information, see [www.CESifo.de](http://www.CESifo.de)
