

THE MEMBERS OF THE EUROPEAN ECONOMIC ADVISORY GROUP AT CESIFO

Lars Calmfors

(Ph.D. Stockholm School of Economics, 1978) is Professor of International Economics at the Institute for International Economic Studies, Stockholm University. He is presently Chairman of the Scientific Council of the Centre for

Business and Policy Studies in Stockholm and a member of the board of the Swedish Royal Academy of Sciences, the board of the Swedish Research Council, the Swedish government's Globalisation Council, the Academic Advisory Board of the Anglo-German Foundation, and the Advisory Council of Praxis, Tallinn. He was the Chairman of the Economic Council of Sweden 1993–2002 and of the Swedish Government Commission on the EMU 1995–96, the Director of the Institute for International Economic Studies at Stockholm University 1995–97, and a member of the Council of the European Economic Association 1991–96, the Scientific Council of the Swedish National Labour Market Board 1991–97, the Office of Labour Market Policy Evaluation in Sweden 1997–2004, and the Swedish Government Commission on Stabilisation Policy in the Event of EMU Membership 2000–02. He has published extensively in the fields of wage bargaining and trade union behaviour, macroeconomic policy, EMU and monetary regimes, labour market policy and the effects of working-time reductions. His current research is on nominal wage flexibility and fiscal policy, fiscal policy institutions, the determination of working time, and globalisation issues.

Giancarlo Corsetti

(Ph.D. Yale, 1992) is Pierre Werner Chair and Professor of Economics at the European University Institute of Florence. He has taught at the Universities of Rome, Yale and Bologna. He is a fellow of CESifo, CEPR and Ente

Einaudi in Rome, and has been a regular visiting professor at the Bank of Italy, the European Central Bank, the Federal Reserve Bank of New York and the International Monetary Fund. His main field of interest is international economics and policy analysis. His articles have appeared in the *Brookings Papers on Economic Activity*, *Economic Policy*, *European Economic Review*, *Journal of International Economics*, *Journal of Monetary Economics*, *Quarterly Journal of Economics*, and the *Review of Economic Studies*, among others. His contributions include general equilibrium models of the international transmission for the analysis of optimal monetary policy; studies of the European currency turmoil in 1992–93 and the currency and financial crises in South East Asia; and models of the fiscal and financial roots of exchange rate instability. On EMU-related issues, he has contributed a critique of the Treaty of Maastricht and an analysis of the launch of the euro. He is currently co-editor of the *Journal of International Economics*.

Michael P. Devereux

(PhD University College London, 1990) is a Professor of the University of Oxford, and Director of the Oxford University Centre for Business Taxation. He is a Research Fellow of the Institute for Fiscal Studies and the Centre for Economic Policy Research.

Prior to Oxford, he was Professor and Chair of Economics Departments at the Universities of Warwick and Keele. He is Editor-in-Chief of *International Tax and Public Finance* and Associate Editor of *Economics Bulletin*. He is Research Director of the European Tax Policy Forum. He has been closely involved in international tax policy issues in Europe and elsewhere, working with the OECD's Committee of Fiscal Affairs, the European Commission and the IMF. His current research interests are mainly concerned with the impact of different forms of taxation on the behaviour of business - for example, the impact of taxation on corporate investment and financial policy and the location decisions of multinationals - and the impact of such behaviour on economic welfare. He has published widely in a range of academic journals.

Hans-Werner Sinn

Hans-Werner Sinn is Professor of Economics and Public Finance at the University of Munich (LMU) and President of the Ifo Institute for Economic Research. He also runs the University's Center for Economic Studies (CES)

and the CESifo Research Network. Sinn has been a member of the Council of Economic Advisors to the German Ministry of Economics since 1989 and a member of the Bavarian Academy of Science since 1996. He holds an honorary doctorate from the University of Magdeburg (1999) and an honorary professorship at the University of Vienna. He taught at the University of Western Ontario and held visiting fellowships at the University of Bergen, the London School of Economics, Stanford University, Princeton University, Hebrew University and Oslo University, and he has been a fellow of the NBER since 1989. He received the first university prizes for his dissertation and habilitation theses as well a number of other prizes and awards from various institutions including the international Corinne Award for his recent best seller on Germany's economic problems. In 2005 he was awarded the Officer's Cross of the Order of Merit of the Federal Republic of Germany. In 1999 he gave the Yrjö-Jahnsson Lectures, in 2000 the Stevenson Lectures, in 2004 the Tinbergen Lectures and in 2005 the World Economy Annual Lecture at the University of Nottingham. From 1997 to 2000 he was president of the German Economic Association, and he is currently president of the International Institute of Public Finance (IIPF). His fields of interest include the economics of transition, risk and insurance, natural resources, monetary trade theory and public finance. In these areas he has published more than 100 scholarly articles, a number of scientific comments, more than 100 policy articles, and numerous interviews and newspaper articles. He has published 10 monographs with 25 editions in six languages. They include titles such as Economic Decisions under Uncertainty, Capital Income Taxation and Resource Allocation, Jumpstart - The Economic Unification of Germany, and, most recently, The New Systems Competition.

Jan-Egbert Sturm

(Ph.D. University of Groningen, 1997) is Professor of Applied Macroeconomics as well as Director of the KOF Swiss Economic Institute at the ETH Zurich. He was researcher at the University of Groningen, The Netherlands, until

2001, and taught as Visiting Professor at the School of Business, Bond University, Gold Coast, Australia, 2000 and 2005. As Head of the Department for Economic Forecasting and Financial Markets at the Ifo Institute for Economic Research, he was also Professor of Economics at the University of Munich (LMU) at the Center for Economic Studies (CES), 2001–2003. He held the Chair of Monetary Economics in Open Economies at the University of Konstanz, Germany, which was coupled with the position of Director of the Thurgau Institute of Economics (TWI) in Kreuzlingen, Switzerland, 2003–2005. In his research, Jan-Egbert Sturm relies heavily on empirical methods and statistics, concentrating on monetary economics, macroeconomics as well as political economy. His applied studies have focused on, for example, economic growth and central bank policy. He has published several books, contributed articles to various anthologies and internationally renowned journals like *Applied Economics*, *Economics & Politics*, *Empirica*, *Empirical Economics*, *European Journal of Political Economy*, *German Economic Review*, *Journal of Banking and Finance*, *Journal of Economic Surveys*, *Journal of Macroeconomics*, *Kredit und Kapital*, *Kyklos*, *Public Choice*, and the *Scandinavian Journal of Economics*. Jan-Egbert Sturm headed the Ifo research team at the Joint Analysis of the Six Leading German Economic Research Institutes, 2001–2003. Since 2001 he has been a member of the CESifo Research Network and since 2003 Research Professor at the Ifo Institute. In 2006 he was appointed member of the user advisory council of the Ifo Institute. At the beginning of this year, he became President of the Centre for International Research on Economic Tendency Surveys (CIRET).
